About This Guide

This short PDF outlines how the MyPoints platform works, highlights its pros and cons, and provides practical tips for earning more rewards in 2025.

What Is MyPoints?

MyPoints is a long-running online rewards program that pays users for activities like shopping online, completing surveys, watching videos, and reading emails. Operated by Prodege — the company behind Swagbucks — the platform has helped millions of members earn points redeemable for PayPal cash, gift cards, and travel miles.

This 2025 guide breaks down how it works, how to earn faster, and whether it's worth your time.

How Does MyPoints Work?

- **Earn While Shopping** – Shop through the MyPoints portal at stores like Walmart, Amazon, and Best Buy
- **Take Surveys** – Quick surveys (5–15 mins) offer regular points
- **Watch Videos & Play Games** – Earn passively while you browse or relax
- **Read Emails** – Get rewarded for reading promotional emails
- **Use the App or Extension** – Get point alerts, bonuses, and easier tracking on the go

Pros and Cons

Pros

- Multiple earning options
- Trusted brand with 25+ years of history
- PayPal and gift card redemptions
- Mobile + desktop accessibility

Cons
